

Honor

Cremation opens the door for creating a beautiful and meaningful Remembrance Gathering. Celebrating and honoring the life of a loved one with some type of ceremony or gathering plays a significant role in our lives and is an essential part of the healing process. You may wish to have a Remembrance Gathering before or after cremation. Select your loved ones favorite music, include special speakers, show keepsake videos, display the urn, photo boards and a memory table with pictures and mementos of your loved one to highlight treasured thoughts and memories.

Gather

Gather to remember the wonderful life of your loved one and celebrate their history, personality and accomplishments. A Remembrance Gathering, whether private or public, is an opportunity for family and friends to share experiences that should be recognized and cherished. Think of all the things you should remember, the work and play, their interests, and above all, the people who were a part of their wonderful life.

Remember

The memories of our loved ones live on in our hearts and minds and a worthy cremation vessel should symbolize the treasure that those memories represent. Cremation Vessels capture a person's individuality and personality. We offer a diverse selection to choose from in many different themes & hobbies, as well as works of art that will be displayed & enjoyed for generations. Personalization is available on most urns which can be simple in design, themed, or artistically created in a wide range of materials, shapes and colors.

Inspire

Helping hearts heal by sharing the cremated remains of a cherished loved one can be most inspiring as a treasured remembrance for family members. Keepsakes and jewelry offer family members balance, tranquility and love. Our goal is to help you find joy in the way you choose to cherish those memories.
